

Permanent Band 5 Staff Nurse jobs in the City of Leicester, England.

Vacancies exist in the areas of Medical/ Surgical/ Paediatric / Theatre/ ED Nurses

Cpl Healthcare in partnership with University Hospital's Leicester NHS Trust situated in the East Midlands of England is looking to recruit Nurses for full time permanent positions.

The Trust – University Hospitals Leicester

University Hospitals of Leicester NHS Trust (UHL) manages the three NHS hospitals in Leicester City which include Glenfield Hospital, Leicester General Hospital and Leicester Royal Infirmary. The Trust employs more than 10,000 staff providing a range of services. It has one of the best records in the country for cardiac care and also specialises in kidney disease, cancer and vascular surgery. Its research programmes in cardio-vascular science, stroke medicine and diabetes are internationally renowned.

Leicester City is perfectly located at the heart of the UK, with a diversity of landscape, culture and things to see and do. Its strong transport infrastructure combines excellent road, rail, and air links to enable easy access to the rest of the UK and beyond.
